

AGREEMENT TO LICENSE

Agreement made this \_\_\_\_\_ day of \_\_\_\_\_,  
19\_\_\_\_, between \_\_\_\_\_, hereinafter  
called the author, and the United States of America, represented by  
the Director of Central Intelligence, hereinafter called the  
Government:

WHEREAS, the author has written a work entitled \_\_\_\_\_  
\_\_\_\_\_ and represents that he is the sole  
owner at common law of all right, title and interest therein; and

WHEREAS, the conditions under which the above-entitled work  
was produced and the contribution of the Government to the produc-  
tion of said work are such as justly and lawfully to entitle the  
United States of America to a nonexclusive, irrevocable, royalty-  
free right and license under the copyright which the author is about  
to acquire for said work;

NOW, THEREFORE, in consideration of the premises and other  
good and valuable considerations by each to the other passed, the  
receipt and sufficiency of which both parties hereby acknowledge,  
it is hereby agreed as follows:

1. The author hereby grants to the Government an irrevocable,  
nonexclusive, royalty-free right and license to print, reprint, copy,  
publish and use, for governmental purposes, the material forming the  
subject matter of the copyright about to be acquired by him in the  
above-entitled work, to authorize others so to do and to dispose  
of said material in accordance with law, said right and license to  
extend throughout the world, and to remain in force and effect for  
the full term of the copyright to be acquired by the author and all  
renewals and revisions thereof, reserving to himself unrestricted  
possession and enjoyment of all other rights in said copyright not  
hereby expressly granted to the Government.

2. The Government may reproduce and publish the above-entitled  
work in whole or in part, in such style as it sees fit.

3. The author shall promptly revise and correct any proof  
sheets submitted to him by the Government.

4. The author hereby represents and guarantees that he is  
the sole author of the said work, that he is the owner of all of the  
rights hereby granted to the Government, that the said work in no  
wise infringes upon the copyright or violates any other right of any  
other person or party whatsoever, and agrees to indemnify and hold  
harmless the Government, its officers and employees against any claim  
by reason of any violation of proprietary right or copyright in said  
work, and promptly to defend any claim or demand which may be made  
based upon any assertions or allegations of infringement or violation.

5. The author, upon request therefor, shall execute and deliver any further written instrument, document or certificate confirming or evidencing the grants set forth in this license; and at such time as he shall register his claim to copyright shall execute a license thereunder to the Government, in the form attached.

WITNESS our signatures, subscribed at Washington, D. C.,  
this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_.
